

# Covenant Christian School Parent Notification K-4 Program Exemption School Year 20\_\_ - 20\_\_

I attest that I have been informed and that I understand that on February 8, 2011, the Covenant Christian School (CCS) K-4 Program received license to operate as a full day Pre-K Program from the Georgia Department of Bright from the Start Early Care and Learning licensing committee.

I further understand that as an integral part of an established religious congregation or religious school, the CCS K-4 Program was determined to be exempt from state licensure requirement based on (DECAL Exemption Rule 591-1-1.46(1)(b)(14)). I fully understand that pursuant to its status as faith-based, the CCS K-4 Program is currently classified as exempt from state regulation.

If additional information is needed, I can find more information at <http://dec.al.ga.gov/>.
