DEAR COVENANT COMMUNITY,

For over forty years, the goal of Covenant Christian School has been to provide a Christ-centered education in the classical and reformed traditions, and to graduate students who are well-trained in spirit, mind, and body. The 2015-2016 school year was another success in the life of our school. We achieved this goal by providing education delivered by expert teachers in a loving and nurturing environment. This, of course, could not have been done without the efforts of our faithful families who support our school and partner with our teachers to give our children the best possible education.

The Bible teaches us in Romans 12:6-7, “We have different gifts, according to the grace given to each of us. If your gift is prophesying, then prophesy in accordance with your faith; if it is serving, then serve; if it is teaching, then teach.” CCS is blessed with the many talents of our community. This was shown through the volunteer spirit and the generous donations that helped us grow from reliance on fundraisers like Boosterthon to the creation of an annual giving program called the Covenant Fund, which boasted 100% board, 100% teacher and staff, and 98% parent participation. These dollars were used to keep our tuition low, enhance our facilities, and provide

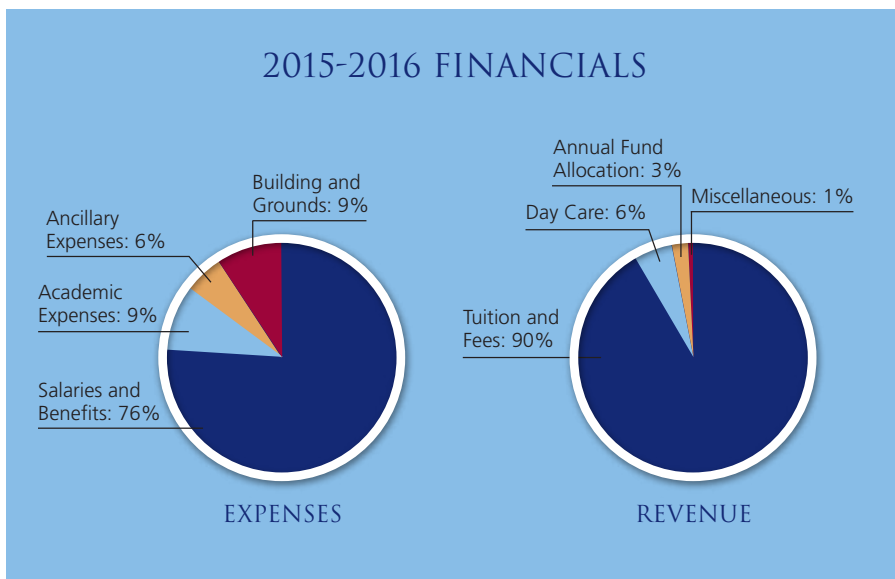

Thank you for your support, your tireless hours of work, and your vision to continue making Covenant Christian School the best it can be.

additional equipment in areas such as science, athletics, music, and computer science. We were also blessed with a generous eighth grade class who came together to give back to the younger students in the form of “Sally the Serpent” – the latest addition to our playground.

The board of trustees welcomed three new members in the 2015-2016 school year: Alex Powell and Ron Jones, both with children at Covenant; and James Wesley, representing the Smyrna Presbyterian Church diaconate. Most excitedly, the board, along with a very dedicated search committee, spent a good portion of the year researching, qualifying, praying for, and finally hiring a new head of school, Dr. Bob Barber, who joined us in July of 2016. In the time of transition, CCS performed as faithful Christians by taking heed of I Corinthians 16:13, “Be on your guard; stand firm in the faith; be courageous; be strong.” Our patience paid off with the Lord’s faithfulness in bringing Dr. Barber to our school.

Of course, Covenant Christian School would not be the success that it is without you, our Covenant families. Your involvement on every level helps create an atmosphere of joyful learning focusing on our Lord and Savior. We thank you again for your support, your tireless hours of work, and your vision to continue making CCS the best it can be.

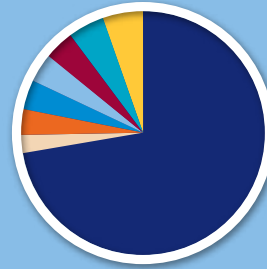

In Him,
Brant Suddath, *President, Board of Trustees*

2015-2016 COVENANT FUND

The Covenant Fund is the most important fundraising opportunity in the school. All donations go directly to the school to enhance educational opportunities for all students in the classroom and beyond.

This year was a phenomenal year for the Covenant Fund.

- Giving increased by **35%** over the previous year.
- **100%** of the board of trustees participated.
- **100%** of the faculty/staff contributed.
- **98%** of the parents participated.
- Parent Participation increased **63%** over the previous year.

Covenant Fund Challenge

In March we wrapped up the 2015-2016 Covenant Fund with our first Covenant Fund Challenge – an 18-day challenge to help us meet our goals! The challenge kicked off with a pep rally for the students where a video of some of their classmates explaining the importance of the Covenant Fund was introduced. Parent participation by class was measured, and students participated by bringing coins to put in a class jar. The class with the heaviest jar won an incentive package! There was great fun with carpool parties encouraging parents to make their contribution and class parties for each class with 100% parent participation. The end of the challenge was celebrated with a party for all students where winning classes were announced.

Eighth Grade Class Gift

For the second year in a row, the parents of the eighth grade students contributed funds to honor their children and the time they spent at Covenant Christian School. This year the students chose to leave a legacy by providing a new piece of playground equipment for their younger classmates to enjoy – Sally the Serpent.
