

CCS Board Committees

The Board has many duties it has to complete: strategic planning, compensating and evaluating staff; raising funds for the organization; approving the annual work plan and budget; overseeing the financial health of the organization; and evaluating the organization's programmatic activities. Most Boards cannot do all this work and do it well alone. That is why it is important to have well-functioning committees to assist the Board with its work. So we are calling on our broader CCS Community to help us through the following committees. [Join us!](#)

Committees

1. **Stakeholder & Community Engagement Subcommittee:** This committee will be responsible for fostering collaboration between the school and its stakeholders (parents, teachers and the community). This group will also build relationships with local churches and organizations to facilitate the recruitment of more students from diverse backgrounds. Additionally, this subcommittee will ensure enrollment and retention goals are met. Members will attend meetings, site visits and conduct other duties as needed. **(NOTE: No experience required.)**
2. **Development:** This committee will be responsible for increasing the fundraising capacity of the school. Evaluate existing fundraising programming and strategies; develop new fundraising programming and strategies; as well as identifying new sources of revenue by exploring grants, sponsorships, alumni donations, crowdfunding campaigns and developing stewardship programs. **(NOTE: No experience required.)**
3. **Finance Committee:** This committee will be responsible for analyzing the school's financials and making recommendations for improvement. Members will attend meetings, site visits and conduct other duties as needed. **(NOTE: Expertise in accounting or CPA preferred. No more than 3 Members will be a part of this committee)**
4. **Facilities Committee:** This committee will be the search committee for the new school location. Members will attend meetings, site visits and conduct other duties as needed. **(NOTE: Expertise or experience in commercial real estate preferred. No more than 5 Members will be a part of this committee)**
