### SPECIAL DRESS

Uniforms are to be worn on all field trips, unless otherwise specified by administration.

### SHORTS POLICY

Shorts may not be worn to Chapel.

### SPIRIT DRESS

Students are occasionally awarded a 'Spirit Dress Day' for special occasions. At such times students may wear any CCS t-shirt with a CCS uniform bottom. There will be written notification of spirit dress days in both the Covenant Connection and on the calendar on the CCS website.

### DRAWSTRINGS ON CLOTHING

A potentially dangerous situation exists for children wearing jackets with drawstrings at the hood or waist. These strings or cords can become caught on play equipment, such as the slides and climbing apparatus, and children can become entangled resulting in injury. Therefore, parents must either remove clothing drawstrings entirely (hood and waist) or cut and stitch them close to the article so that there is no possibility of catching on anything. For their own safety children who wear jackets or other clothing with strings will not be permitted to play on any of the play equipment until the problem is remedied.

### DRESS CODE ENFORCEMENT

Students are expected to be in uniform on the first day of school, and all clothing must be kept in good condition (e.g., not torn, faded, or overly worn). Students who are out of uniform for any reason (other than on a special dress day) may receive a uniform violation notification, which must be signed by a parent and returned to the school. After a student has received two (2) uniform notices, any subsequent uniform infraction(s) during the remainder of the school year will result in a telephone call to the parent. The parents may be asked to bring to school the appropriate uniform item(s). The student

may remain in the school office while the parent is contacted and until the uniform problem is remedied. Stricter disciplinary measures are reserved for students who indicate a pattern of noncompliance.

### **ADDITIONAL DRESS CODE POLICIES**

Many of the trends and fads which are in fashion today are restricted from our campus or during school activities. These include clothing or personal appearance such as the following: sloppy appearance, excessive or extreme make-up or fingernail polish, excessive jewelry, earrings in boys, unusual hair styles, unusual body piercings, tattoos or accessories associated with a culture in conflict with CCS standards. A good rule of thumb is, “when in doubt, don’t wear it.” The faculty and administration reserve the right to set the standards and to determine student compliance in these areas.

**Standards for boys include hair off the collar, not below the earlobe and not below the brow. Unusual hairstyles and/or ponytails (boys) are not allowed. Unnatural hair colors are not allowed.**
